

USAID CLEAN POWER ASIA

Engaging Stakeholders in Assessing Vulnerabilities in the Lao PDR Power Sector

Vulnerability Assessment Stakeholder Workshop
August 21-23, 2018

Crowne Plaza Hotel, Vientiane

Workshop Day 3 Objectives

- Discuss the concept of risk and the use of a risk matrix to evaluate and score the risk of potential vulnerabilities
- Review and respond to VA team's preliminary risk score for each vulnerability
- Prioritize vulnerabilities to prepare for the resilience action planning process

Next Steps: Develop a Resilience Action Plan

- VA team will synthesize workshop results and draft the VA
- VA team will reconvene stakeholders to develop a resilience action plan that addresses key vulnerabilities
 - Review potential resilience actions
 - Assess effectiveness, cost, feasibility, and other criteria of potential actions
 - Score and evaluate potential resilience actions and recommend an approach for each action
 - Develop the resilience action plan
